- Any supplied amenities by ElecTrip must be placed within the vehicle by the scheduled time of your vehicles use with ElecTrip services.

Use of the vehicle.

When an ElecTrip approved Driver drives a vehicle associated with the ElecTrip platform, they must use the vehicle only for commercial purposes approved by ElecTrip and never for any personal use (e.g. driving other passengers for a fee such as through Lyft or other rideshare services or platforms) unless explicitly approved by an ElecTrip officer. ElecTrip Drivers must return the vehicle on time and in the correct location. An ElecTrip host commits to providing the vehicle and arriving on time to any and all scheduled pick-up locations that are paired the host Account through the ElecTrip Platform.

When an ElecTrip Driver has explicit permission by an ElecTrip officer to use the vehicle provided for financial gain with other rideshare services, they must report such activities and are obligated to provide a certain percentage of earning as proper compensation for use of an ElecTrip affiliated vehicle.

ElecTrip approved Drivers must not leave the vehicle unlocked or with the keys insecure under any circumstances. ElecTrip approved Drivers must exercise reasonable care for the vehicle and ensure that the vehicle is clean and meets the terms in the ElecTrip Driver Standard Operating Protocol agreement. ElecTrip approved Drivers will treat the vehicle and any applicable Extras well and will take all reasonable measures to return the vehicle and any applicable Extras on time and in essentially the same condition as received. Approved Drivers are required to operate the vehicle safely at all times and in compliance with all applicable laws, including without limitation, speed limits and prohibitions on impaired or distracted driving. The ElecTrip approved Drivers will be fully financially responsible for any claims, loss, or damage related to their misuse of a vehicle, and your protection plan may be voided. ElecTrip approved Drivers are required

to never use personal electronic devices such as phones, tablets, or laptops while operating the vehicle.

Inspection and Incident Reporting.

It is the vehicle hosts responsibility to report and damages in a timely manner. It is your responsibility to prove the damage by taking photos before and after the scheduled use of your vehicle for ElecTrip services. You must provide time stamps on the photos which prove that the photos were taken within 10 hours both before and after use on the ElecTrip platform. ElecTrip approved Drivers must complete a visual inspection when they receive the vehicle from you, and before they begin operating the vehicle. If any significant vehicle damage is observed, the Electrip host must contact ElecTrip immediately. Any damage reported following 72 hours after the damage was claimed to have occurred shall not be the responsibility of ElecTrip or any of its affiliates. To ensure that ElecTrip hosts are not held responsible for pre-existing damage. If you ever determine that the vehicle is unsafe to operate after use with our platform, please do not operate the vehicle and contact us immediately at (281)783-9579 (contact@electrip.us if no one answers your call to this number).

If a collision has occurred when your vehicle is scheduled for use on our platform, you must immediately report to ElecTrip and to the police if there has been a collision. You will need to use all reasonable efforts to secure evidence from any available witnesses and to provide ElecTrip or third-party claims administrators with a written description of the incident and any other information requested, including identity and insurance information of any parties involved in the incident. You are also required to cooperate in any loss investigation conducted by ElecTrip, third party claims administrators, law enforcement, or insurers. After an incident, an ElecTrip Driver may not continue to use the vehicle unless you have the explicit permission of ElecTrip staff, you understand that this may result in the inability to return your vehicle on time. Failure to timely report

an incident or cooperate in an investigation may reduce or invalidate any protection plan received via the Services.

Guest Cancellation.

Guests may cancel their trip by email or phone, and the cancellation is effective immediately. The total amount refunded will depend on when the guest cancels the trip.

ElecTrip Cancellation.

In some cases, ElecTrip may need to cancel a trip after booking to protect our users against fraud or for trust and safety considerations. ElecTrip will notify both hosts and guests in such an event. When ElecTrip must cancel a trip, guests will receive a full refund and hosts are generally not eligible for earnings.

Flight Delay or Flight Cancellation.

If a Rider's flight is delayed or canceled, users must message their drivers to inform them and to request a trip modification for a new start time. We expect the driver to make a good-faith effort to accommodate a new trip start time. The driver must document their attempt to accommodate a new trip start time in ElecTrip messaging.

If the driver cannot or does not accommodate a new start time and the trip must be canceled, ElecTrip will issue a complete refund to the user who misses their trip as a result of the flight cancellation or delay. Riders must provide supporting documentation, for example, a screenshot from the mobile application or website of the airline showing the flight delay, and must notify the host via ElecTrip messaging. In this situation, Drivers will not receive any compensation, and the Rider will receive a complete refund, provided the documentation shows the cancellation was due to a flight issue.

To take advantage of this policy, in addition to providing documentation, Riders must tell the Driver of the flight delay or cancellation at least one (1) hour before the scheduled trip start time. The Rider must notify ElecTrip of a flight delay or cancellation within at

ElecTrip Vehicle Host Terms of Service

Last Revised: February 24th, 2020

least twenty four (24) hours of the trip's scheduled start time, or they will not receive a refund.

Also, if the Rider's flight is canceled/delayed more than three (3) days in advance of the trip start time, this policy does not apply. In both cases, the standard Rider Cancellation policy outlined above remains in effect.

ADA Policy.

ElecTrip and ElecTrip Drivers are aware of and must comply with ElecTrips ADA policy, wherein ElecTrip can provide a wheelchair accessible vehicle with 48 hours notice for any traveler who intends to travel in a wheeled mobility device. If any person informs you of their belief that they've been discriminated against or denied full participation in transportation on the basis of disability, you must inform of their ability to file an ADA complaint, within 90 days of the alleged incident, and to refer to the filing procedures outlined in the section of the Riders Frequently Asked Questions on the ElecTrip website.

Borrowed Car Theft.

It is a felony in most states to fail to return a borrowed vehicle within a certain time after the agreed-upon borrowing time has expired. Failing to return the car to its original location and failing to notify the vehicle owner may result in the reporting of the vehicle as stolen to law enforcement, and civil and/or criminal penalties.

The following conduct may result in the reporting of the vehicle as stolen to law enforcement, and civil and/or criminal penalties, as well as the voiding of the ElecTrip approved Drivers protection and/or insurance plan:

- ❖ If the ElecTrip approved Driver fail to return the vehicle provided to them at the time and place agreed upon with the host and/or designated in your reservation;
- ❖ If the ElecTrip approved Driver do not return the vehicle by the end of the reservation period;

ElecTrip Vehicle Host Terms of Service

Last Revised: February 24th, 2020

- ❖ If the vehicle is returned to any place other than the return location on the reservation or agreed upon with the owner. Any damage to, or loss or theft of, a vehicle occurring prior to the owner inspecting the vehicle upon return at the end of the reservation is the Driver's responsibility;
- ❖ If the ElecTrip approved Driver misrepresent facts to the host/owner pertaining to booking, use, or operation of vehicle;
- ❖ If the vehicle's interior components are stolen or damaged or the vehicle itself is stolen or damaged when the vehicle is left unlocked or running or unattended with the keys not secured during the reservation period;
- ❖ If the ElecTrip approved Driver fails or refuses to communicate in "good faith" with host, police, ElecTrip, or other authorities with a full report of any accident or vandalism involving the vehicle or otherwise fails to cooperate in the investigation of any accident or vandalism;
- ❖ If the vehicle is operated by anyone who has given a fictitious name, false address, or a false or invalid driver's license; whose driver's license becomes invalid during the reservation period; who has obtained the keys without permission of the host or ElecTrip; or who misrepresents or withholds facts to/from the host or ElecTrip material to the booking, use or operation of vehicle.

A \$500 case administration charge will be imposed on the Approved Driver if ElecTrip and/or the vehicle owner has to report a vehicle as stolen to law enforcement due to it not being returned. In addition, the Approved Driver for the vehicle is responsible for any private investigation costs ElecTrip deems necessary to recover a vehicle that is not returned.

Repossession.

ElecTrip, a hired agent of ElecTrip, or the host/ owner may repossess any vehicle booked through the Services without demand, at the Driver's expense, if the vehicle is

Last Revised: February 24th, 2020

not returned by the end of the reservation, is found illegally parked, apparently abandoned, or used in violation of applicable law or these Terms.

Missing Vehicles.

If a vehicle assigned for operation through the Services goes missing and/or is stolen during the reservation period, the ElecTrip approved Driver must immediately return the original ignition key to the host; file a police report immediately after discovering the vehicle is missing or stolen, but in no event more than 24 hours after discovering it has gone missing; and cooperate fully with the host, law enforcement, ElecTrip, and other authorities in all matters related to the investigation.

ElecTrip Photography.

ElecTrip may offer hosts the option of having photographers take photos of their vehicle and/or hosts, drivers, or riders with their vehicles (“Images”). You alone are responsible for using the Images in connection with your ElecTrip listing and you warrant that you will cease using the Images if they no longer accurately represent your vehicle. You agree that ElecTrip is the sole and exclusive owner - or exclusive licensee, as allowed by applicable law - of all right, title, and interest in all copyrights, trademark rights, and any and all other intellectual property rights, including right of publicity rights, worldwide, in the Images regardless of whether you include them in your listing, and you shall take no action to challenge or object to the validity of such rights or ElecTrip’s ownership or registration thereof. You acknowledge that ElecTrip may use the Images for advertising, marketing, commercial, and other business purposes in any media or platform, whether in relation to your listing or otherwise, without further notice or compensation. You understand that if ElecTrip uses the term “Verified Images” the term is intended only to indicate a photographic representation of the vehicle at the time the photograph was taken. Verified Images are therefore not an endorsement by ElecTrip of any user or any vehicle.

Insurance Conflict.

In the event of a conflict or inconsistency between the explanation of insurance coverage in these terms and an insurance policy offered to the ElecTrip user or Driver, the insurance policy language outside of these terms controls. There is no insurance or protection available via the Services outside the United States.

Policy Enforcement.

When an issue arises, we may consider the host’s performance history and the specific circumstances in applying our policies. We may choose to be more lenient with policy enforcement in an effort to do the right thing, subject to our sole and absolute discretion.

General.

If any provision of this Agreement is or becomes invalid or non-binding, the parties shall remain bound by all other provisions of this Agreement. In that event, the parties shall replace the invalid or non-binding provision with provisions that are valid and binding and that have, to the greatest extent possible, a similar effect as the invalid or non-binding provision, given the contents and purpose of this Agreement. You agree that this Agreement and all incorporated agreements may be automatically assigned by ElecTrip, in our sole discretion by providing notice to you.

Any notices to you shall be provided through the ElecTrip Platform or given to you via email or physical you provide to ElecTrip during the registration process.

A party’s failure to act with respect to a breach by the other party does not constitute a waiver of the party’s right to act with respect to subsequent or similar breaches. This Agreement sets forth the entire understanding and agreement between you and

ElecTrip with respect to the subject matter hereof and supersedes all previous understandings and agreements between the parties, whether oral or written. Headings are for reference purposes only and in no way define, construe, limit, or describe the scope or context of such section.

You may not assign these Terms without ElecTrip's prior written approval. ElecTrip may assign these Terms without your consent to: (i) a subsidiary or affiliate; (ii) an acquirer of ElecTrip's equity, business or assets; or (iii) a successor by merger. Any purported assignment in violation of this section shall be void. **No joint venture, partnership, employment, or agency relationship exists between you, ElecTrip or any Third Party Provider as a result of this Agreement or use of the Services. ElecTrip's failure to enforce any right or provision in these Terms shall not constitute a waiver of such right or provision unless acknowledged and agreed to by ElecTrip in writing.** This provision shall not affect the Severability and Survivability section of the Arbitration Agreement of these Terms.

Third Party Services and Content.

The Services may be made available or accessed in connection with third party services and content (including advertising) that ElecTrip does not control. You acknowledge that different terms of use and privacy policies may apply to your use of such third party services and content. Liquidated Damages/Contract Penalty.

Confidentiality.

Last Revised: February 24th, 2020

You agree not to use any technical, financial, strategic and other proprietary and confidential information relating to ElecTrip's business, operations and properties, information about a User made available to you in connection with such User's use of the Platform, which may include the User's name, pick-up location, contact information and photo ("Confidential Information") disclosed to you by ElecTrip for your own use or for any purpose other than as contemplated herein. You shall not disclose or permit disclosure of any Confidential Information to third parties. You agree to take all reasonable measures to protect the secrecy of and avoid disclosure or use of Confidential Information of ElecTrip in order to prevent it from falling into the public domain.

Notwithstanding the above, you shall not have liability to ElecTrip with regard to any Confidential Information which you can prove: was in the public domain at the time it was disclosed by ElecTrip or has entered the public domain through no fault of yours; was known to you, without restriction, at the time of disclosure, as demonstrated by files in existence at the time of disclosure; is disclosed with the prior written approval of ElecTrip; becomes known to you, without restriction, from a source other than ElecTrip without breach of this Agreement by you and otherwise not in violation of ElecTrip's rights; or is disclosed pursuant to the order or requirement of a court, administrative agency, or other governmental body; provided, however, that You shall provide prompt notice of such court order or requirement to ElecTrip to enable ElecTrip to seek a protective order or otherwise prevent or restrict such disclosure.

Indemnity.

You shall indemnify, defend, protect, and hold all parties associated with the ElecTrip platform harmless from and against any and all actions, suits, expenditures, losses, liabilities, claims, and expenses including, without limitation, reasonable legal and accounting fees, arising out of or in any way connected with your use of or access to the ElecTrip services and Platform or your violation of these Terms; your user content; your violation of any third party rights (including Third Party Providers) or laws; your

interaction with any user, booking of a vehicle, or creation of a listing for a vehicle; or the use, condition, or trip, including but not limited to any injuries, losses, or damages (compensatory, direct, incidental, consequential, or otherwise) of any kind arising in connection with or as a result of a booking, sharing, or use of a vehicle or optional extra. This indemnity and confidentiality agreement above applies without regard to any negligence of a party.

Limitation of Liability.

ElecTrip shall not be liable for any indirect, special, penal, or substantial damages relating to or as a result of your use of ElecTrips platforms and your involvement in our services. You acknowledge that using a vehicle in prohibited manners may lower available liability limits, nullify coverage, or nullify collision protection and/ or protection plan. Some jurisdictions prohibit by law, limitation of liability for incidental or consequential damages, so some of these limitations may not apply to you, and you may have additional rights.

TO THE EXTENT PERMITTED BY APPLICABLE LAW, YOU WAIVE ANY AND ALL RIGHTS YOU HAVE TO SUE OR MAKE CLAIMS AGAINST ElecTrip AND ITS RESPECTIVE SUBSIDIARIES, DIRECTORS, OFFICERS, AGENTS (INCLUDING THIRD PARTY ADMINISTRATORS, INSURANCE PRODUCERS, AND INSURANCE PROVIDERS), OR EMPLOYEES (TOGETHER, THE “ElecTrip PARTIES”) AND ANY ElecTrip USER (EXCEPT AS DETAILED BELOW FOR TRANSACTIONS WHERE THE HOST PROVIDES THEIR OWN COMMERCIAL/RENTAL PROTECTION PLAN OR WITH RESPECT TO OPTIONAL EXTRAS) FOR ANY DAMAGES OR LOSSES ARISING OUT OF OR IN CONNECTION WITH YOUR USE OF THE SERVICES INCLUDING, WITHOUT LIMITATION, A VEHICLE NOT BEING AVAILABLE WHEN IT WAS SUPPOSED TO BE, ANY MALFUNCTION OF OR DEFICIENCY IN A VEHICLE, ANY BREACH OF WARRANTY OR OTHER OBLIGATION BY ANY MANUFACTURER OR OTHER THIRD PARTY, ANY PERSONAL INJURY OR PROPERTY DAMAGE SUFFERED BY YOU OR ANY OF YOUR PASSENGERS (EXCEPT IF DAMAGE

ARISES FROM AN EXTRA) AND, IN THE CASE OF THE ElecTrip PARTIES, ANY ACTIONS OR INACTION OF THE HOST. NEITHER ElecTrip NOR ANY OTHER PARTY INVOLVED IN CREATING, PRODUCING, OR DELIVERING SERVICES WILL BE LIABLE FOR ANY INCIDENTAL, SPECIAL, EXEMPLARY, OR CONSEQUENTIAL DAMAGES, INCLUDING LOST PROFITS, LOSS OF DATA, OR LOSS OF GOODWILL, SERVICE INTERRUPTION, COMPUTER DAMAGE OR SYSTEM FAILURE, OR THE COST OF SUBSTITUTE PRODUCTS OR SERVICES, FROM THE USE OF OR INABILITY TO USE THE SERVICES, OR FROM YOUR LISTING OR BOOKING OF ANY VEHICLE OR OPTIONAL EXTRA VIA THE SERVICES, WHETHER BASED ON WARRANTY, CONTRACT, TORT (INCLUDING NEGLIGENCE), PRODUCT LIABILITY, OR ANY OTHER LEGAL THEORY. **Except for our obligations to pay amounts to applicable hosts or guests pursuant to these Terms, including an approved payment request or claim under a protection plan or applicable insurance policy, in no event will ElecTrip's or its subsidiaries' or insurers' aggregate liability arising out of or in connection with this Agreement or your use of the Services, exceed the greater of the amount earned by you in the 12 month period prior to the event giving rise to the liability, or (ii) US\$100. THE LIMITATIONS OF DAMAGES SET FORTH ABOVE ARE FUNDAMENTAL ELEMENTS OF THE BASIS OF THE BARGAIN BETWEEN ElecTrip AND YOU. SOME JURISDICTIONS DO NOT ALLOW THE EXCLUSION OR LIMITATION OF LIABILITY FOR CONSEQUENTIAL OR INCIDENTAL DAMAGES, SO THE ABOVE LIMITATION MAY NOT APPLY TO YOU. YOU WAIVE ANY SIMILAR LAW, WHICH STATES: "A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS WHICH THE CREDITOR DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE, WHICH IF KNOWN BY HIM OR HER MUST HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR."**

Arbitration.

ElecTrip Vehicle Host Terms of Service

Last Revised: February 24th, 2020

Please read this section carefully as it affects your rights and impacts on how disputes and claims between you and ElecTrip against each other are settled.

Agreement to Arbitrate. The Parties each agree that any and all disputes or claims that have arisen or may arise between you and ElecTrip (including its respective subsidiaries, agents, employees, directors, officers, third party insurance brokers or products, and third party claims administrators) relating in any way to or arising out of the Agreement, your use of, or access to the Services, or any services sold, offered, or purchased through the Services (such as listing or sharing a vehicle) or any breach, enforcement, or termination of the Agreement shall be resolved exclusively through final and binding arbitration, rather than in court, except that each Party retains the right to seek injunctive or other equitable relief in a court of competent jurisdiction to prevent the actual or threatened infringement, misappropriation, or violation of a Party's copyrights, trademarks, trade secrets, patents, or other intellectual property rights (the "Agreement to Arbitrate"). The Federal Arbitration Act governs the interpretation and enforcement of this Agreement to Arbitrate.

Judicial Forum for Legal Disputes. Unless the Parties agree otherwise, in the event that the Agreement to Arbitrate above is found not to apply to you or to a particular claim or dispute, either as a result of your decision to opt out of the Agreement to Arbitrate, as a result of a decision by the arbitrator or a court order, or the parties have reserved their rights to pursue legal action in a court of law for actual or threatened intellectual property infringement pursuant to these Terms, you agree that any claim or dispute that has arisen or may arise between the Parties must be resolved exclusively by a state, federal, or small claims court located in Austin, Texas.

Prohibition of Class and Representative Actions and Non-Individualized Relief.
THE PARTIES AGREE THAT EACH OF US MAY BRING CLAIMS AGAINST THE OTHER ONLY ON AN INDIVIDUAL BASIS AND NOT AS A PLAINTIFF OR CLASS

Last Revised: February 24th, 2020

MEMBER IN ANY PURPORTED CLASS OR REPRESENTATIVE ACTION OR PROCEEDING. UNLESS THE PARTIES AGREE OTHERWISE, THE ARBITRATOR MAY NOT CONSOLIDATE OR JOIN MORE THAN ONE PERSON'S OR PARTY'S CLAIMS AND MAY NOT OTHERWISE PRESIDE OVER ANY FORM OF A CONSOLIDATED, REPRESENTATIVE, OR CLASS PROCEEDING. ALSO, THE ARBITRATOR MAY AWARD RELIEF (INCLUDING MONETARY, INJUNCTIVE, AND DECLARATORY RELIEF) ONLY IN FAVOR OF THE INDIVIDUAL PARTY SEEKING RELIEF AND ONLY TO THE EXTENT NECESSARY TO PROVIDE RELIEF NECESSITATED BY THAT PARTY'S INDIVIDUAL CLAIM(S). ANY RELIEF AWARDED CANNOT AFFECT OTHER USERS.

Arbitration Procedures. Arbitration is more informal than a lawsuit in court. Arbitration uses a neutral arbitrator instead of a judge or jury, and court review of an arbitration award is very limited. An arbitrator can award the same damages and relief on an individual basis that a court can award to an individual. All issues are for the arbitrator to decide, except that issues relating to arbitrability, the scope or enforceability of the Agreement to Arbitrate, or the interpretation of the section "Prohibition of Class and Representative Actions and Non-Individualized Relief", shall be for a court of competent jurisdiction to decide.

Where the relief sought is \$25,000 or less, the arbitration will be conducted by **FairClaims** in accordance with its Arbitration Rules & Procedures effective at the time a claim is made. Where the relief sought is \$25,001 or more, the arbitration will be conducted by the **American Arbitration Association** ("AAA") under its rules and procedures, including the AAA's Consumer Arbitration Rules (as applicable), as modified by this Agreement to Arbitrate.

A Party who intends to seek arbitration must first send to the other, by email, a notice of dispute ("Notice"). The Notice to ElecTrip should be sent via email to

ElecTrip Vehicle Host Terms of Service

Last Revised: February 24th, 2020

contact@electrip.us. Please provide your name, telephone number, email, mailing address, and briefly describe both the nature of your dispute and the relief you would like from ElecTrip.

If the Parties are unable to resolve the claims described in the Notice within 30 days after the Notice is sent, either Party may initiate arbitration proceedings. A form for initiating arbitration proceedings is available on the **FairClaims** website or the **AAA's** site. (The AAA provides a **Demand for Arbitration form**.) Any settlement offer made by you or ElecTrip shall not be disclosed to the arbitrator.

Any FairClaims arbitration hearing shall be conducted solely on the basis of documents you and ElecTrip submit to the Arbitrator, or where requested, videoconference. Any AAA arbitration hearing shall be held in the county in which you reside or at another mutually agreed location. Either Party may elect to have the arbitration conducted by telephone or based solely on written submissions, which election shall be binding on the Parties subject to the arbitrator's discretion to require an in-person hearing, if you request a hearing or the Arbitrator determines that a hearing is necessary. In cases where an in-person hearing is held, you and/or ElecTrip may attend by telephone.

The arbitrator will decide the substance of all claims in accordance with applicable law, including recognized principles of equity, and will honor all claims of privilege recognized by law. The arbitrator shall not be bound by rulings in prior arbitrations involving different users but is bound by rulings in prior arbitrations involving the same ElecTrip user or driver to the extent required by applicable law. The Arbitrator may award declaratory or injunctive relief only in favor of the claimant and only to the extent necessary to provide relief warranted by the claimant's individual claim. The arbitrator's award shall be final and binding and judgment on the award rendered by the arbitrator may be entered in any court having jurisdiction thereof. An Arbitrator's decision and judgement thereon shall have no precedential or collateral estoppel effect.

The Parties agree that all communications and evidence related to the dispute will remain confidential, and neither party shall take any action that will harm the reputation of any of the other, or which would reasonably be expected to lead to unwanted or unfavorable publicity to either of the Parties or entities.

Costs of Arbitration. If you prevail in arbitration, you will be entitled to an award of attorney's fees and expenses, to the extent provided under applicable law. ElecTrip will not seek, and hereby waives all rights ElecTrip may have under applicable law to recover, attorney's fees and expenses if ElecTrip prevails in arbitration. Your responsibility to pay any filing, administration, and arbitrator fees will be solely governed by the AAA's rules, unless otherwise stated in the Agreement to Arbitrate.

Fees. If your claim for damages does not exceed \$75,000, ElecTrip will pay all such fees, unless the Arbitrator finds that either the substance of your claim or the relief sought in your Demand for Arbitration was frivolous or was brought for an improper purpose (as measured by the standards set forth in Federal Rule of Civil Procedure (11(b))).

Severability. With the exception of the provisions in the section "Prohibition of Class and Representative Actions and Non-Individualized Relief," if an arbitrator or court decides that any part of the Agreement to Arbitrate is invalid, unenforceable, or unlawful for any reason, the other parts of the Agreement to Arbitrate shall still apply. Severance of the unenforceable or unlawful provision shall have no impact whatsoever on the remainder of the Arbitration Agreement or the parties' ability to compel arbitration of any remaining claims on an individual basis pursuant to the Arbitration Agreement. If an arbitrator or court decides that any of the provisions in the section "Prohibition of Class and Representative Actions and Non-Individualized Relief" is invalid or unenforceable,

then the entirety of the Agreement to Arbitrate shall be null and void. The remainder of the Agreement, these Terms, and its Legal Disputes Section will continue to apply.
